Redwood Park Academy's Vision

Our vision is that all pupils at Redwood Park Academy will be confident communicators, who are growing to be more independent, so that they are happy and healthy young adults who make positive contributions to their community.

Class of the week: Wedgewood

Wedgewood have had a brilliant start to the year!

In maths, they've been developing their number skills, with a recent focus on addition and subtraction. It's been fantastic to see how hard everyone has been working and how much progress they've made in securing their understanding.

As part of KS4, Wedgewood have also been enjoying their option subjects, especially the practical lessons that take place outside the classroom. In work-related learning, pupils have explored different job roles and learned about the importance of work experience—valuable steps as they prepare for the future.

We've also had some amazing opportunities to build teamwork and resilience through activities such as climbing, laser tag, and archery at The Fort. These experiences have helped pupils strengthen their relationships and develop valuable life skills as a group.

It's been a busy and positive few weeks, and we're so proud of the effort and attitude shown by every member of Wedgewood Class. We're looking forward to everything this school year has to offer!

Wishing you all a lovely weekend.

Show Racism the red card!

On Friday 17th October pupils and staff at Redwood wore red in support of anti-racism and raised funds for charity.

Pupils have also been learning about this important message within their lessons today, carrying out activities in the classroom and having important conversations about diversity and acceptance.

We would like to say a huge thank you to everyone who took part and contributed, we have raised £100.00 so far.

If your children have any questions or you would like some support sharing this message, please find a link to a video we shared at school below:
